Date: 03/11

- Societies" (EDP grant), 1/91.
- Development of course on Japanese Popular Culture: A Basic Introduction (Grant from the American Association of State colleges and Universities, Institute on Incorporating Japanese Studies into the Undergraduate Curriculum,), 1989.
- Development of course on Latin American Popular Culture from the Penny Press to Television (Title III grant for General Education Course Development) 1988.
- Development of a basic definition for the term "non-Western" as it relates to General Education requirement (Title III grant for General Education Development), 1988.
- Development of Honors Course on United States Popular Culture and the Mass Media (grant from University of Minnesota-Morris Honors Course Development Funds), 1987-88.
- Development of introductory course on Latin American popular culture (part of Bush Foundation sabbatical grant), 1985-86.
- Participant in the design and implementation of the Introduction to World History courses, 1983-86.
- Development of "A Basic Latin American Area Studies Slide Collection and Catalogue," (EDP grant), 1981.
- Developed a cross cultural approach to teaching introductory Geography, (EDP grant), 1979.
- Developed audio-visual materials for "Locational Theory: An Interdisciplinary Perspective," (EDP grant), 1978.
- Development of a general service course in geography which is a required course in the Social Science major, 1974-75.
- Participant in designing and implementing the new History major with its emphasis on student-initiated studies and competency-based education, 1972.
- Developed multi-media approach to teaching Latin American culture and history, (Title VI grant), 1971.
- Developed Summer in Mexico program, (EDP grant), 1971.
- Development of a Latin American Area Studies Senior Seminar, 1974.
- Development of a Latin American Area Studies major, 1971.

Special Teaching Methods Implemented

- Sponsored and directed research projects on the history of the family and genealogy leading in some cases to publication in journals, 1998-2012.
- Sponsored and directed honors research projects for LASA majors leading in some cases to publication in professional journals, 1981-2012.
- Introduced course where students, in lieu of final exam, make a series of presentations open to entire campus which inform public about current Latin American events, 1977.
- Developed "Language for Survival: A Model Study-Abroad Program," 1975.
- Developed an individualized, library-centered course as a model for post-graduate learning, 1974.
